JOB TITLE HERE

EDUCATION

Colegio Freinet

This is the school where I graduated.

Universidad Icesi

I'm currently on 3rd semester of Computer Science.

DEV.F

This is a hacking school which I am very grateful, currently I am doing their "Master Program", the aim being a full-stack developer.

WORK EXPERIENCE

I have no work experience yet, but if you see my GitHub repository, I already have experience in developing web applications. Also, I learn fast, so if you give me the opportunity to work with you, I will not disappoint you.
